

Every Child, Every Chance, Every Day; Working Together.

Wednesday 26<sup>th</sup> February 2025

Dear Parent/Carer,

To celebrate World Book Day this year we are going to think about the 'Power of a Bedtime Story.'

There are many benefits to sharing a story at bedtime with your child:

- Research suggests that reading aloud to your child for twenty minutes a day can contribute to an improvement in performance at school.
- Reading a bedtime story offers comfort and reassurance and offers quality time between you and your child.
- Reading with your child can stimulate imagination and develop language and vocabulary.

On **Thursday 6<sup>th</sup> March 2025**, your child is invited to attend school dressed in their **favourite pyjamas and with their favourite bedtime story** to share with their class at the end of the day.

Your child will participate in different world book day activities throughout the day to support and encourage a love of reading.

Scan the QR code to visit the world book day website for several more activity ideas that you can try at home to celebrate too.

Yours sincerely,
